

鑫陽鋼鐵股份有限公司
SHIN YANG STEEL CO., LTD.

20 OCTOBER, 2021.

Declaration

Dear Customers,

Many thanks for your purchasing of Shin Yang pipe products.
Regarding your concern of scrap content used in Shin Yang pipe products, replies as follows:

More than 80% of raw materials applied to Shin Yang pipe manufacturing are supplied by China Steel Corporation (CSC).
According to our understanding, scrap is around 20%.
In additional to that, the maximum ratio of scrap will not exceed 35%.

If CSC does not change their coil production process, the validity of this delcaration is permanent.

We SHIN YANG will inform you with this official declaration if CSC change their coil production process.

Many thanks for your kind attention!

Sincerely Yours,
