To Whom It May Concern

SUBJECT: LEED COMPLIANCE

We, T S I Metal Industries LLC, are the manufacturer of ERW Black & Galvanized Steel Pipes & Hollow Sections. We hereby confirm that HR Coils are used for manufacturing of ERW Steel Pipes/Tubes.

We are using the HR Coils as Raw Material sourced from TATA, JSW, Essar, India; Sabic, KSA; and some suppliers of Ukraine. The production route for steel making is Electric Arc Furnace, Continuous Slab Casting and Hot Strip Mill.

We generate 5-10% of steel scrap of the total steel used. This steel scrap is recyclable and recycled by Steel Maker only.

Material Name	Manufacturer	Recycled Content	
		Pre-Consumer Content (%)	Post-Consumer Content (%)
ERW BLACK PIPES	T S I METAL INDUSTRIES LLC.	10%	2%

For and on Behalf of T S I Metal Industries LLC

Sincerely,

NARENDRA KUMAR
MANAGER (QUALITY)
